What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription."

The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous colitis, diarrhea, uterine or other pelvic organs). Even in the chronic or ulcerative stages of these affections it is often successful in effecting a cure.

"The Favorite Prescription" is advised for the female class of diseases—those peculiar to women, such as irregularities, weakness, nervousness, and frequent discharges, and is a powerful yet gently acting invigorating tonic and nerve. For weak women, over-worked women—no matter what has caused the breakdown, "Favorite Prescription" will be found most effective in building up the strength, regulating the monthly functions, subduing pain, and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formula of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines.

The words of praise bestowed on the several ingredients entering into Dr. Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Pellets, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

FOR OVER SIXTY YEARS, Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

Guaranteed under the food and drugs act June 30th, 1906. Serial number 1608.

TWENTY-SECOND OF FEBRUARY PARADE.

(To the Editor of the Alexandria Gazette.)

Now that we have resolved to have a parade upon the 22nd of February, the following suggestion may be timely.

This suggestion is prompted by no capricious feeling; our past observations merit nothing but the most hearty praise; the energy, ability, and public spirit displayed was most commendable.

The basis of these celebrations was and properly should always be patriotic; but to utilize these opportunities to advance our business interests is a good sense and good policy.

The military, naval, and fire department section of these parades are patriotic only; the civic section is patriotic, and should be utilitarian, also.

Living as we do within seven miles of the nation, capital military and naval displays are no novelty either to our citizens, or to our visitors; nor is it derogatory to our celebrations to admit that our visitors and ourselves have beheld finer military pageants; what is more interesting and instructive to our visitors is a display of our material resources, energy and ingenuity.

The military section of our parades can hardly be improved upon, we should lead our every energy to bring the civic section up to the same high plane.

Now my suggestion is that in order to secure a full, tasteful, ingenious and creditable exhibit of our material resources and capabilities a prize of \$37, \$150 or \$200 be offered for the best business display.

The prize should be awarded to the exhibitor displaying the most taste, originality, ingenuity and magnitude, each of these merits to have its relative weight, and the preponderance of weight to be determined by a committee of our leading citizens. The offering of such a prize would stimulate the ingenuity and enterprise of our business men, and should result in the production of a number of boats which would add greatly to the attractiveness of the parade, advertise the business of our merchants, and also advertise the resources, capabilities and advantages of the city as a whole.

Yours truly,

JAMES BAYNE.

A Significant Prayer.

"May the Lord help you make Buckle's Arnica Salve known to all," writes J. G. Jenkins, of Chapel Hill, S. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds. 25c at all drug stores.

[COMMUNICATED.]

TO THE BUSINESS MEN OF ALEXANDRIA

While giving an order to a young lady in a popular house recently I remarked, "You've been here quite a while." "Oh yes, long enough to know the wants of our customers," she answered pleasantly. "Christmas is coming and I guess you have to hire wagons to carry your presents home, don't you?" I asked. She laughed. "Mr.—(manager)—always remembers me Christmas and Mr.—(a well-known business man now dead) always sent me a present on Christmas, but that is all I've ever had given me; the company pays us, you know, and I don't think that's enough," she said. Now, business men, lawyers, doctors, etc., let us show them we don't think that; let us get the names and addresses of the young ladies who serve us during the year and send them a remembrance the week before Christmas. Let us show them we appreciate them.

About Digestion.

It is not the quantity of food taken but the amount digested and assimilated that gives strength and vitality to the system. Chamberlain's Stomach and Liver Tablets invigorate the stomach and liver and enable them to perform their functions. The result is a relish for your food, increased strength and weight, greater endurance and a clear head. Price 25 cents. Samples free. For sale by Richard Gibson and W. F. Creighton & Co.

GETS WIFE AND CHILDREN.

Rev. John R. White, the Methodist preacher of R. Anoke, who Tuesday obtained a writ from Judge John W. Woods, of the Corporation Court, to be served on John Aylor and Mrs. Whitworth, wife of Rev. Mr. Whitworth, demanding that the two children of Rev. and Mrs. Whitworth be turned over to the minister, arrived at R. Anoke last night from Franklin county accompanied by his wife and two little children. Rev. Mr. Whitworth left early accompanied by an officer of the law and armed with the writ, for the Aylor home. On arriving at the residence of Mrs. Whitworth's parents the officer and Whitworth made known their purpose and the children were surrendered by their grandfather.

FRANCE CLAIMS MIRACLE.

A miracle is reported to have occurred in the village church at Brin. On two Sundays in succession during the services on the priest placing the host in the monstrance the image of a wonderfully beautiful youth was apparent on the water. A great number of the congregation testify to the genuineness of the phenomenon.

Many sufferers from nasal catarrh say they get splendid results by using an atomizer. For their benefit we prepare Ely's Liquid Cream Balm. Except that it is in all respects like the healing, helpful, pain-alleviating Cream Balm that the public has been familiar with for years. No cocaine nor other dangerous drug in it. The soothing spray is a remedy that relieves at once. All druggists, 75c, including spraying tube, or mailed by Ely Bros., 86 Warren Street, New York.
